The Association of Contingency Planners Announces 44th Chapter

The Association of Contingency Planners (ACP) announces the establishment of the Southeast Louisiana Chapter. The formation of this chapter will provide robust programs consisting of professional development and networking opportunities for professionals with contingency planning responsibilities in Southeast Louisiana.

Local chapter organizers have already been sought to participate in local preparedness efforts. Chapter president, Bonnie Canal, states, "Here in Southeast Louisiana we have a deep appreciation for the capacity of many to come together for a common purpose. We are looking forward to working to develop public-private partnerships that will lead to a more resilient community."

The chapter, based in New Orleans, invites organizations and those professionals involved in business continuity, disaster recovery and emergency management to attend any future meeting as a guest. Inquires about meeting schedules and membership may be directed to Southeast Louisiana Chapter President, Bonnie Canal at bonniecanal@yahoo.com. For more information about ACP and continuity planning, please visit www.acp-international.com.

The Association of Contingency Planners (ACP) is a non-profit, international trade association dedicated to the advancement of business continuity professionals. ACP provides a powerful peer-to-peer networking and learning environment for its members through 44 chapters nationwide. At over 2,600 members, ACP is the largest, most established networking and information exchange organization in North America - serving business continuity professionals for over 25 years. Membership is open to anyone with an interest in or responsibility for the varied aspects of continuity planning.
