

SCHEDULE AT A GLANCE

8:30am **Registration and Continental Breakfast**

9:00am **Opening Remarks: 2018 Accomplishments by ACP National Chair, Scott Ream**

9:15am **ACP Scavenger Hunt**
interactive 

9:30am **North Korea: Travel Overview and Risk Management**
Jonathan C. Tetzlaff, President, TRM, LLC.

Jonathan provides an overview of risks on the Korean Peninsula – and resulting risks to the world as a whole -- based on his travel in the DPRK and an analysis of the nuclear threat.

10:30am **BREAK**

10:45am **Risks and Strategies Involved With an Electro Magnetic Pulse (EMP) attack**

Ed Goldberg, Manager, Eversource Business Continuity

Ed will discuss the effect an attack would have on business and society and what is being done and/or can be done to mitigate and recover from it.

11:45am **LUNCH (ACP Paraprofessional Challenge!)** **interactive** 

12:45pm **Organizational Resiliency**
Megan Epperson, MBCI, CBCP, CBCV, Associate Director, Operational Risk & Resiliency Management at IHS Markit
Megan will talk about expanding the silos of Business Continuity Professionals

1:45pm **BREAK**

2:00pm **Creating The Tipping Point**
Steven Eberlein, Tipping Point Resilience

Steven will give a dramatic (DRI Sneak Peak!!) overview of his aims to persuade the audience to become even better preparedness advocates who will promote a more resilient culture through the simple but persuasive power of their own examples.

2:30pm **Tell Me More ... Organization Resilience**

Alice Kaltenmark, MBCI, MBCP, President, BCI USA Chapter and Frank Perlmutter, MBCI, CBCP, Treasurer, BCI USA Chapter

Alice and Frank will share current perspectives on organization resilience and the broader resilience community. Our vision is to create a more resilient world – come join the conversation and learn how this can benefit you and your organization.

3:15pm **Topic:** Director, Global Regulatory Affairs & Clinical Safety, Merck Research Laboratories.
Colleen Merritt Severyn

Case Study: Bouncing Back Strong – Building the Merck Global Regulatory Affairs and Clinical Safety Business Continuity Plan. Colleen will present her experience during a cyber security event. (Another DRI Sneak Peak!)

3:30pm **Closing Remarks: Looking Forward**
Scott Ream
