Other [Click here to enter text.](#)

Statement of Qualifications: (Describe the nominee's professional background)

Stuart Murray has accumulated over 20 years of professional disaster recovery & business continuity work serving as a consultant to various Fortune 500 companies in a range of industries. During this period, he has been responsible for leading the creation and development of global programs for such organizations as Mercedes-Benz, Citadel Group, Ertl Racing and Jabil, Inc.

Statement of Purpose: (Describe why the nominee would be a good addition to the National Board)

Stuart's experience leading teams and interacting with all levels of organizations including the C suite in addition to developing and maintaining relationships with external parties such as vendors, public agencies, and customers provides him with the broad experience and skills necessary to be successful in this role.

Other Considerations: (Note any other variables voters should consider)

ASSOCIATION OF CONTINUITY PROFESSIONALS

In addition to his DR/BCP experience, Stuart has acquired experience in managing budgets, fiscal planning, resource planning & development and crisis communications.
