Statement of Qualifications: (Describe the nominee's professional background)

Ron is an IT Professional with over 25 years of industry experience. He holds an advanced degree in information security management and several certifications that are comprised of Project Management, Information Privacy Management, and Business Continuity. As an industry leader, Ron is valued for his knowledge of the latest research and trends affecting the IT industry.

Statement of Purpose: (Describe why the nominee would be a good addition to the National Board)

I believe Ron would be a valuable asset to the National Board of the Association of Continuity Professionals. Ron currently serves as a board member PMISSC. In his role as the Vice President of Outreach, Ron has successfully identified and closed corporate sponsorships, established professional development partnerships with community based organizations, and has led fundraising and advertising efforts for PMISSC's academic scholarship program. He possesses a strong aptitude for collaboration, networking, and relationship-building that has enhanced the recognition and effectiveness of the work we do as project management leaders.

ASSOCIATION OF CONTINUITY PROFESSIONALS

Other Considerations: (Note any other variables voters should consider)

Ron is an excellent listener and strategic thinker. His contributions to PMISSC have increased the visibility of the organization in the community and his work maturing our scholarship program has positively impacted the next generation of project management professionals.
