

Continuity of Government 101

By

Dave Briar

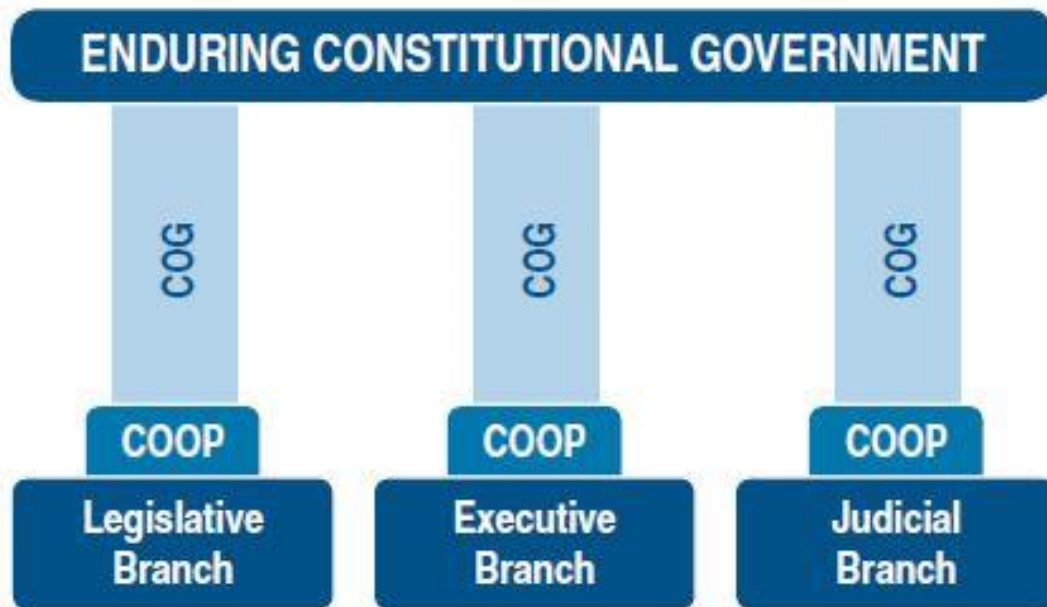

Overview

- Enduring Constitutional Government
- Guidance
- Continuity of Government Conditions
- General Procedures
- Implications for the Private Sector

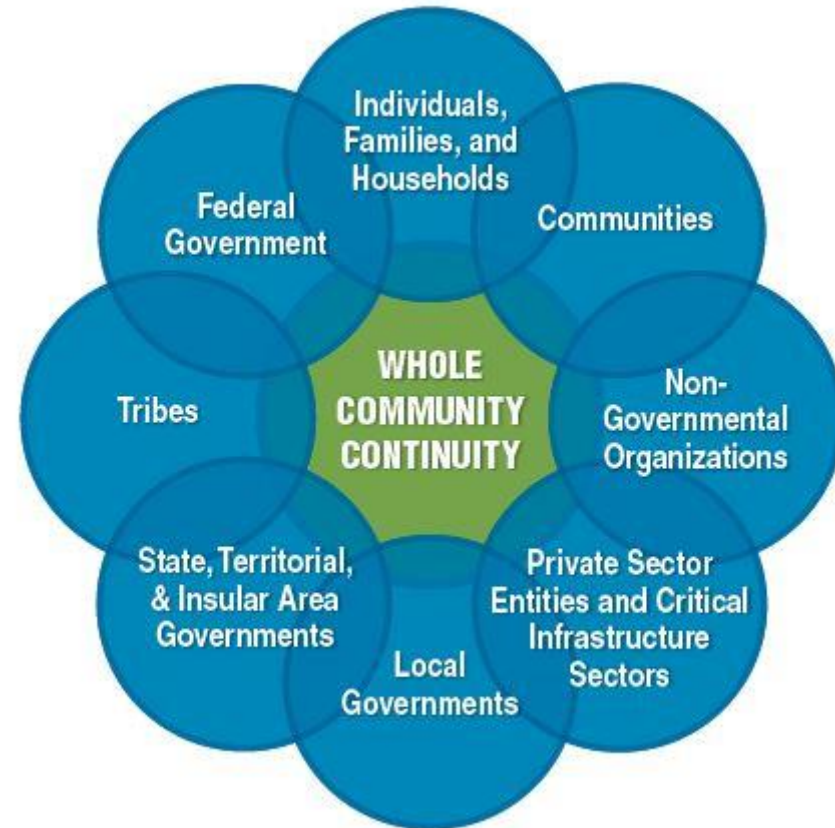

Enduring Constitutional Government

Links COOP and COG in individual branches of the Government to ensure resilience across the board

Guidance

- Presidential Policy Directive 40 (PPD-40)
- Federal Continuity Directive 1 (FCD-1)
- Continuity Guidance Circular

Continuity of Government Conditions (COGCON)

COGCON 4	Federal executive branch government employees at their normal work locations. Maintain alternate facility and conduct periodic continuity readiness exercises.
COGCON 3	Federal agencies and departments Advance Relocation Teams “warm up” their alternate sites and capabilities, which include testing communications and IT systems. Ensure that alternate facilities are prepared to receive continuity staff. Track agency leaders and successors daily.
COGCON 2	Deployment of 50-75% of Emergency Relocation Group continuity staff to alternate locations. Establish their ability to conduct operations and prepare to perform their organization’s essential functions in the event of a catastrophic emergency.
COGCON 1	Full deployment of designated leadership and continuity staffs to perform the organization’s essential functions from alternate facilities either as a result of, or in preparation for, a catastrophic emergency.

General Procedures

- Plans
- Communications
- Access to vital records
- Succession of leadership
- Homeland Security Exercise and Evaluation Program (HSEEP)
- Alternate “warm” site

Implications for Private Sector

- Plans
- Communications
- Exercises
- Alternate sites
- Other thoughts?
